Thanks to all of our Sponsors

The SIHA would like to thank all of our sponsors for making this year another great success. We would especially like to recognize *EmbroidMe* and *Labatt USA* for getting all of the jerseys ready before the start of the season. We would also like to thank *Revision Hockey* for providing the referees with new wheels. In addition, we want to show our appreciation to the *Change of Pace* for giving us a place to hang out and eat & drink after the games. We would truly like to mention all of our sponsors in this small space, but just can't. That's why we are asking our players that give their business to our sponsors and mention that they are players in the league and we thank them for their support. Who knows, you just might get a discount.

One Final Word

The Cyrx one must first say hats off to all award winners and playoff champions this season. So what's on tap for next year will Labatt Blue be a dynasty or are they a "One & Dun"? The Cyrx one feels the latter of the two is more likely. The Cyrx one and all my little Cyrx's want to leave this One Final Word, next year bartender, make mine a "DRAFT!!!"
